

# WHAT'S IT GOT TO DO WITH EDUCATION?

Connecting educators across primary, secondary and tertiary sectors - a great opportunity for professional learning through sharing practice with other teachers and educational leaders, viewing the latest technologies and being inspired by keynote speakers:

**Suan Yeo**, Google Education *A New and Open World for Learning*  
Education Evangelist for Google, Asia-Pacific, Suan works closely with educators and administrators on educators go Google

**Evan Predavec**, Author of *GeekinSydney.com*  
*Days of Wonder: Getting students excited about ICT - and keeping them that way*  
Make ICT the activity that makes students smile.

**Matt Bower**, School of Education; Macquarie Uni  
*Augmenting our educational future using ICT*  
Augmented Reality and virtual worlds

**Dan Bowen**, Learning Development and Education consultant  
Get going with Maker Spaces  
Transforming pedagogy with ICTs

DIGITAL TECHNOLOGIES ♦ SECONDARY COMPUTING ♦ MAKER MOVEMENT ♦  
DIGITAL LEADERSHIP ♦ DIGITAL PEDAGOGIES ♦ BYOD ♦ ACCREDITED PD ♦ OVER  
30 PRESENTERS ♦ PRIMARY TEACHERS ♦ DEVELOP PLNS ♦ ENGAGE ♦ HANDS ON  
WORKSHOPS ♦ BE INSPIRED

## Conference Program

**Presentations** on key topics of interest to all teachers interested in utilising technology in their teaching. **Workshops** are hands on sessions focusing on digital technologies in the context of teaching and learning. **Makerspace** – tools and space to build, build and build with a focus on electronic. **Panel sessions** - Australian Digital Technologies Curriculum with reps from ACARA, BOSTES and more; BYOD panel to discuss options and challenges of adopting a BYOD/BYOT environment by those who have been through it. **HSC Examination Workshops** enable HSC Computing Studies teachers to work on exam solutions with markers and experienced teachers – SDD, IPT, IDT VET and Ind Tech Multi
